

GLOBAL FINANCE TRANSFORMATION PROGRAMME

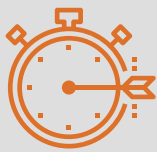

The IG Finance Transformation Programme has undertaken a wholesale review of all aspects of Finance delivery. This has resulted in changes to OD, people, processes and systems across the globe. A multi-million pound strategic initiative over 2 years, a permanent team enhanced with skilled contract resources has put in place the capability to generate the benefits.

THE SOLUTION

Taking time to understand our need, relationship management, speed of execution, effective on-boarding

- PMO Analyst
- Programme Test Manager
- Project Managers
- Business Analysts

THE RESULTS

OPERATE QUICKLY

EXCELLENT CANDIDATES

FULL UNDERSTANDING

“Sanderson played an important role in providing those external resources always ensuring that the remit of the role and skills required were fully understood. Sanderson were able to operate quickly and efficiently to meet IG’s expectation and fielded excellent candidates into a number of roles across the programme

Russell Baldwin, Finance Transformation Programme Manager
